

FACT SHEET

Our Mission

To increase the quality of, and access to, the early childhood development and health system that ensures a child entering school comes healthy and ready to succeed.

Our Vision

All Arizona children birth through age five are afforded opportunities to achieve their maximum potential to succeed in school and life.

First Things First exists solely to improve the lives of children birth through age five in Arizona.

First Things First provides opportunities and tools to support children who are healthy and ready to enter school.

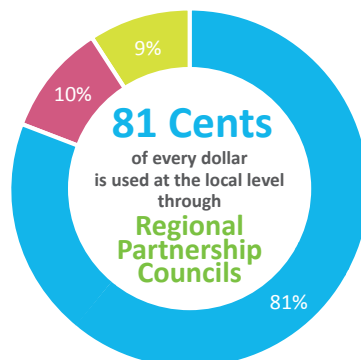

First Things First supports families in preparing their children for a lifetime of success and well-being.

First Things First continually seeks new innovative activities and approaches that positively impact outcomes for young children.

First Things First Goals and Impact Areas are:

- Supportive Families
- Healthy Children
- Quality Early Care and Education

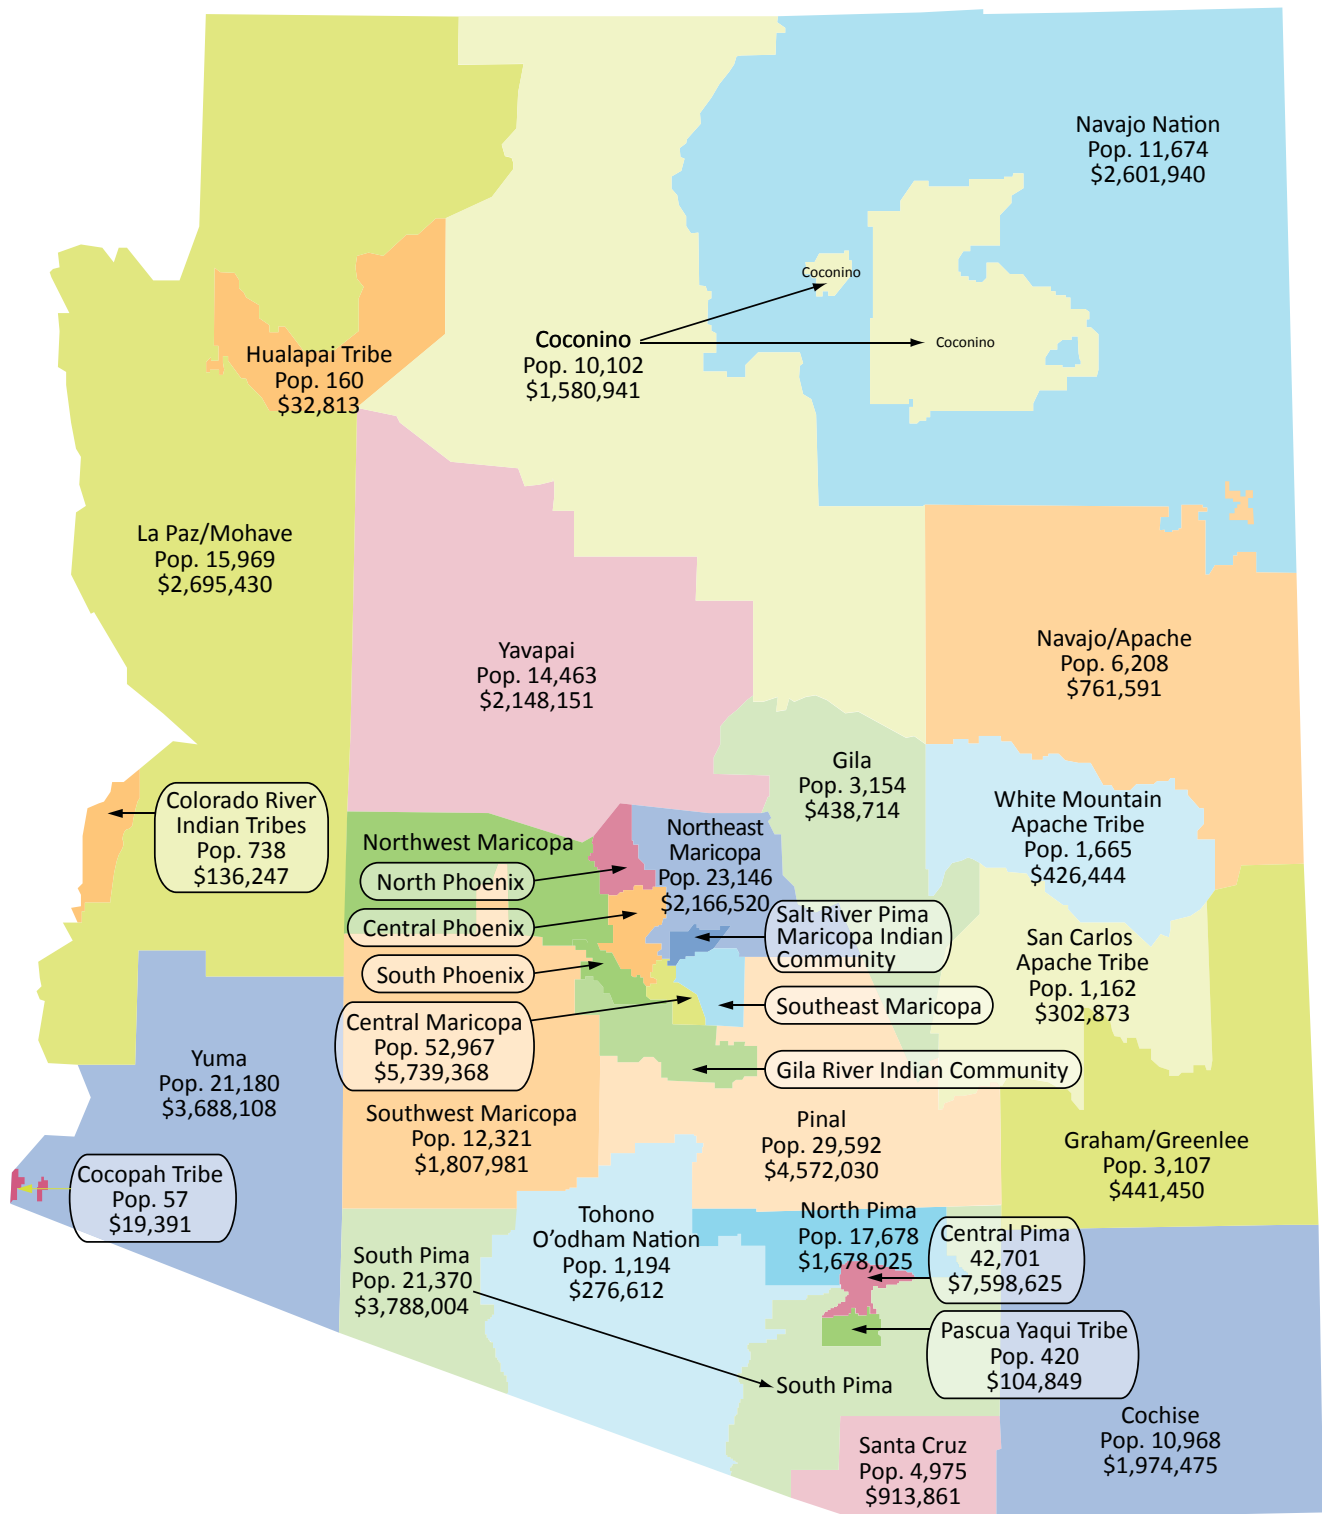

For more information and to find your Regional Partnership Council, please visit us at www.azftf.gov.
